

First Art, Craft and Bake Sale a Success

Sunday, November 6, we got together on a beautiful afternoon for an Art, Craft and Bake Sale at the clubhouse. Who knew we had such talented neighbors! We really enjoyed all the kids who showed up to sell their artwork! There were hiking sticks, holiday baskets, bowl cozies, art prints, jewelry, hand sewn pillowcases, hand sewn children's clothing, soothing lavender masks and tea cup bird feeders, just to name a few of the great items that were available for purchased. If anyone is interested in any of these items, please email Maggie Kunde at mpkunde@yahoo.com to contact your neighborhood vendors. Let's plan to make this an annual event!

Landscape Committee Report

- New soccer field grass is growing by leaps and bounds thanks to Roy Gregory for watering the area. Next spring, Bermuda grass will be planted in the field to provide a hardy playing surface.
- We are looking for volunteers to help remove broken asphalt on the sidewalk leading to the tennis courts. Please email Candlewyck2702@gmail.com if you wish to volunteer.
- Thank you to all the homeowners who have alerted me to problems with the lights, playground, trails and entrances. I could not do this job without you.
- As our budget allows, we will add two more toilets to the pool bathrooms next spring.
- I am still gathering quotes to repave the parking lot. If you have a contractor you would like to recommend, please send me their information.
- While our current priorities are to repave the parking lot and to maintain the tennis courts, we are researching the installation of a marquee sign to replace the sign at Candlewyck and Bloomsbury. In addition to identifying the neighborhood, this sign would list upcoming events and messages.

Greetings and Happy Fall!

At our recent neighborhood meeting, several neighbors brought up a few items which I would like to bring to your attention:

- If your siding has become mildewed and dirty, please have it cleaned
- Trim shrubs so they do not cover windows, mulch or rake leaves and clean your gutters
- Check your fences and repair or replace any damaged sections

Fall is a great time to be outdoors and taking care of chores like these will not only help maintain and increase our property values, but also continue to make Candlewyck an aesthetically pleasing place for our families.

Thank you for your support and Happy Thanksgiving to all.

CANDLEWYCK'S NATURE

Community Program

Saturday
November 19th
10AM

Meet at the Candlewyck
Community Clubhouse

Just 21 minutes from Uptown Charlotte, lies a special community of 205 homes and 107 patio homes—*with a secret*.

Nature happens here, through wooded walking trails, a pond and loads of greenspace and mature trees. The Charlotte Chapter of the North Carolina Wildlife Federation will lead residents on a walk filled with adventure and the discovery of the many secrets of nature, right in our own backyards.
